Sheriff's contract

[6:32:06 PM](#)

Did not hear from Dick Nixon today. : making sure liability issues are defined and 555 is included in the agreement. Agreed to make this a priority with the funding agreement that we are working out with the county.

[6:33:40 PM](#)

Mayor distributed a proposed funding agreement draft between county and city. Transferred 2.5 million for budget purposes. Will be setting up escrow for 2.5 million funding for what they approved. This agreement will be sent to the county for their approval. Mount View is of greater risk for commercial development than. Bruce said there is a possibility of working a deal to get both.

[6:37:13 PM](#)

Liane and Mayor met with Mike P. and asked him to detail what they have spent on the properties. Will be sending a letter to the school district stating the city's position.

[6:38:40 PM](#)

One thing important to the county was that this be done through an escrow. Instead of a grant it will be placed in a third party escrow. 2.5 will be used for contract services with the county. Interest only every year interest is at the PTIF rate; level of service equivalent to the level of 2006.

[6:45:09 PM](#)

This will be sent back to the county for their review.

If the Council has any concerns on the draft agreement

[6:50:59 PM](#)

Evaluation of fireworks ban. On the 4th of 7 calls 5 were responded to by Cottonwood Heights. Issued six business license permits to vendors. All but one are indoors. Mayor consider watching and ban east of Wasatch if necessary. Bruce agreed. Rely on professionals to make decision.

Liane suggested stream flows be watched.

Mayor: be consistent with the County.

Nicole will update the City on a day to day basis and the City will follow suit.
