Sheriff's report

Deputy Mackay reported on the night out against crime. The number of people attending was disappointing. Another year an alternate site might be considered, with the Council sponsoring the event.

A citizen asked for the crime figures for the month. These had been available at the "night out against crime" so they were not readily available. They are available on the Council web site.

Special Guests

Patrice Arent, House of Representative spoke for a minute on the present status of the legislature. The members work all year. They are presently studying the "Questar Bill" and invite comments from citizens, either by phone, e-mail, fax, etc.

She also reported that the Utah Board of Education Savings Plan was voted #1 by Kiplinger. If you would like more information on this, please call the Utah State Board of Education.

Jim McConkie, who is running for office to replace Scott Howell, introduced himself. Karen Morgan, House of Representatives, spoke for a minute on her activities. She is very involved in education.

Incorporation

Joan reported on the status of the incorporation. The petition drive has stalled. There are threats of annexations from other cities.

ACCT Report

Jerri Harwell reported on the last meeting. For information on annexation and incorporation it was recommended that people access the web site at www.utah-apa.org/legislative/annex.htm

Any other Business

Calvary Church

Rowen Schmidt, a neighbor of the Calvary Church, asked the Council for help in getting the attention of the authorities, in his attempt to get the church to reduce the noise level.

The church had recently installed some skateboard ramps which are adding to the noise.

Upon motion made by Brett Besser, seconded by Jerri Harwell, and passed unanimously, it was

RESOLVED, to invite the representative from the church to attend the September meeting. Ask Mr. Schmidt to bring some neighbors to corroborate his story. Remind the church that the conditional use permit is for church and church related activities, and also about the liability of the skateboard ramp.

Deputy Mackay, asked for a time to explain that the Sheriff's Department had responded to many of Mr. Schmidt's calls, but had never been able to find anything that was against the ordinance.

Joan asked for a volunteer to go to the ACCT meeting on August 10th, and for a volunteer to be a representative permanently. Brett Besser volunteered to attend the August meeting.

A resident asked if the Council knew what plans there were for curb and sidewalk on 2700 East. It was suggested that she attend the next meeting when Mark Shurtleff, Salt Lake County Commissioner, will be in attendance.

Jeff Moore offered to add the Council candidates to the web site, when the names are available.

Margaret reported that she would not be at the September meeting so somebody would need to keep minutes. She will gone most of October, so a lot of the legwork for the election will need to be delegated.

The meeting was adjourned at 9:00 p.m.

The next meeting will be September 6, 2000 at 6:30 p.m. in Butler Middle School.
