U.A.C.C. Report - Cameron Hansen reported that he had attended U.A.C.C. meeting but that no official business had been conducted due to lack of a quorum. He did present the Sheriff's Report for the Cottonwood Heights area noting the incidents of crime etc. in this area compared to other areas.

Meet the Candidate Night - Ken Verdoia reported that there had been a good attendance of candidates but only a fair attendance of the general public. He feels that the County Commission race has been completely overlooked by the media but encouraged everyone to take an informed look at the issues prior to making their vote.

Planning Commission Report - Gordon reported on the issue heard in last month's meeting reference to 2965 Chalet Road. Cottonwood Heights Community Council had recommended that the request for a P.U.D R1-6 be denied and that the developer be encouraged to look at R1-10 with no P.U.D. The Salt Lake County Planning Commission endorsed this recommendation taking it even further. The sloped areas are to be R1-15.

Election Committee - With the resignation of Kendra Thuet from the Council the election committee is left without leadership. The members of the Council not running for re-election are Cameron Hansen, Dick Guthrie, Gordon Thomas, Verl Buxton and Ken Verdoia.
