

you are a
child of the
universe

You are a child of the universe, no less than the
trees and the stars; you have a right to be here.
And whether or not it is clear to you, no doubt the
universe is unfolding as it should. Therefore be at
peace with God, whatever you conceive Him to be,
and whatever your labors and aspirations, in the
noisy confusion of life keep peace with your soul.
With all its sham, drudgery and broken dreams, it is
still a beautiful world. Be careful. Strive to
be happy.

You are a child of the universe
