### DETERMINATION OF THE CHAIR OF THE CITY COUNCIL CONCERNING AN ANCHOR LOCATION

Pursuant to UTAH CODE ANN. 52-4-207(4), the City's Mayor, as the chair of the City Council, hereby determines that conducting the meeting of the City Council on this date at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The World Health Organization, the President of the United States, the Governor of Utah, the Salt Lake County Mayor and Health Department, have all recognized that a global pandemic exists related to the COVID-19 coronavirus. According to information from state epidemiology experts, Utah is currently in an acceleration phase, which has the potential to overwhelm the state's healthcare system. Therefore, due to the state of emergency caused by the global pandemic, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the location.

Dated 3 August 2020.

*Mayor Michael J. Peterson*
