This matter was discussed at length. The trailer has already been there for 3 years. There were 2 extensions allowed on the previous application. The Church is working on building a sanctuary at which time the trailer would be removed. The problems arise from the use of the trailer by unauthorized groups of skateboarders and the noise of children attending classes.

Upon motion made by Richard Guthrie, seconded by Bill Morris, amended by Cathy Trane and seconded by Bill Morris and passed unanimously, it was

RESOLVED, to approve this application with the following conditions.

The Council will approve the trailer remaining on site for one more year if

1. A gate is put on the bottom of the ramp to deter skateboarders and
2. A rubber mat is installed at the bottom of the ramp to cut down on noise within the next 60 days.
3. The trailer and parking lot are supervised during open hours

This will be reviewed in one year.
