Community Council Ordinance Amendments

Karen Eyre discussed the proposed changes in the Community Council Ordinance. The changes that will affect Cottonwood Heights are

- 2) submitting a budget to the County
- 3) posting of the notice of election in 25 prominent places

Walkway/bike path from Danforth to Banbury Road

Chris Stanfield presented a proposal for Salt Lake County to lease property from Memorial Estates for the purpose of providing a walkway/bike path from the area East of Memorial Estates through to Banbury Road for the children to have a safe path to go to the park, middle school and the recreation center.

They propose that the path be gravel (not paved or concrete).

The children are presently using this route. The residents feel that Memorial Estates may be interested in leasing it to Salt Lake County which would relieve Memorial Estates of the liability and also may provide some form a tax break.

The Council suggested to Mr. Stanfield that the neighbors sign a petition endorsing this request.

Upon motion made by Joyce Smith, seconded by Cameron Hansen, and passed unanimously, it was

RESOLVED, to write a letter to the County Commissioners requesting that they review this request.

Mr. Stanfield reported that in previous years Salt Lake County had sent a truck out on a Saturday, at the request of the neighbors, to pick up trash on a designated neighborhood clean up day. This year they had been told that Salt Lake County were longer able to do this. The neighbors were asking if there was anything the Council could do to help.

Upon motion made by Cameron Hansen, seconded by Brett Besser, and passed unanimously,

it was

RESOLVED, to have the Council write a letter to Salt Lake County asking them to clarify the policy on supplying a truck for a neighborhood clean up day and to request that if the policy has been changed that the old policy be restored.
